

A plot with a white background and black axes. The x-axis ranges from 0.0 to 1.0 with major ticks every 0.2. The y-axis ranges from 0.0 to 1.0 with major ticks every 0.2. A horizontal blue line is drawn at y = 0.5. A three-line text label is positioned just above the blue line, centered horizontally. The text is black and contains French characters and the Euro symbol. The text is split across three lines: "three-line text positioned just above a blue", "containing some French characters and the eu", and "Merci p  p   pour les 10   ".

"Merci p  p   pour les 10   "
